CAPITAL CAMPAIGN KICKS-OFF AT CHURCH OF THE LITTLE FLOWER!

After much prayerful discernment, study and discussion among the staff, Finance Council, and numerous parishioners of our parish, Fr. Andy has decided to undertake a parish-wide capital campaign for the Going Home Initiative, to raise the funds necessary to renovate and expand our Church and expand our meeting space needs.

Over the next several months, we will reach out to every parishioner to provide additional details about the project. We will hold a number of campaign receptions in April and May. Every family will be invited to attend. Receptions will be social and educational, and are an opportunity to come together to hear about the campaign, ask questions and get involved! Please watch for your invitation in the mail and RSVP promptly.

In order for the campaign to be successful, Little Flower will need numerous volunteers to assist in the campaign. Father Andy is asking all parishioners to consider volunteering during the next few months to assist. The campaign will need help in a variety of activities including phone calls, mailings and follow-up contact/visits to fellow parishioners. Please give your most sincere consideration to this important request for help. In the pews this weekend, you will find a Volunteer Card. Please consider filling out the card and drop it in the offertory collection or return it to the parish office. Additional information will be sent to all those who sign-up to volunteer.

PLEASE WATCH YOUR MAIL!

All parishioners of Little Flower will receive an invitation in the mail to attend one of a series of Campaign Receptions. Fr. Andy, Bridget Neigel, Msgr. Harms, and members of the Campaign Committee will be presenting information about our plans to improve and expand the church and our meeting space.

Receptions are your opportunity to learn first hand about the project and campaign, ask questions, pick up your campaign materials, and meet with fellow parishioners. This campaign is vital to the life of our parish community. The most important action you can take during this campaign is to join us at a Reception. When you receive your invitation, please be sure to RSVP as soon as possible.

Stewardship Thought

“Everyone who drinks this water will be thirsty again.” John 4:13

Jesus reminds us that material things, even something as basic as water, can never satisfy us for long. When we build our lives around material possessions we always want more. True Joy and Peace only comes when we follow Jesus; when we become more “God-centered” and less “self-centered”.
