Parishioners Attend Receptions! Have you?

Going Home Has Parishioners Enthusiastic!

Here at Little Flower the *Going Home* initiative is progressing with energy and enthusiasm. As a reminder, the initiative is comprised of three components: assuming ownership of the BH Library which will undergo renovation to become our new Parish Center, expanding and renovating the Little Church to accommodate 500 parishioners, and acquiring \$2.845M from the township in exchange for the Upper Church property. The turnout for the receptions has been tremendous and parishioners who have attended are thrilled with the prospect of *Going Home*. If you have not done so already, please RSVP to a reception as soon as possible and get all of the information first hand. We have so much to look forward to, including a beautiful Church and a new Parish Center! The excitement is building! Be a part of it!

Stewardship Thought

From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked. Luke 12:48

God has given us all so many gifts and blessings. He expects us to share those blessings. Are you praying about your sacrifice to Going Home? Are you asking God to help you in that decision? Going Home is about further proclaiming the gospel and living out our vision of Go and Make Disciples. Pray about how you will give back to God for the countless ways he has blessed you!
